<ftp://ftp.westwood.com/pub/renegade/tools/RenegadeToolsInstaller2.exe>

<http://www.turbosquid.com/Download/Index.cfm?FuseAction=Download&ID=L567271&DLC=XFM83W83US>

Download and install these, After you have installed them both, Go to your all programs list and go to Renegade Public Tools > RenX and there you have it.
