Okay both shut up now.

Yes, i'm a fur, Yes, i'm Bi, but who, besides those who actually believe what the bullshit media say, cares?

I believe i am a fox, okay, there i said it.

I don't have hands, i have paws. I don't have a mouth, i have a muzzle. I have a large bushy tail. I have digidrage legs, i actually walk on my hind paws, not my heels. I have a nice rusty orange coat of fur, with a white area going from the bottom half of my head, down my chest, and slowly ending half way down my inner thigh. I have dark brown paw fur.

This is me, this is who i am, and if you can't choose to accept that, either:

- 1). Shut the fuck up, and keep it to yourself, or
- 2). Contact me privatly about it, and i will explain to you, and show you i mean no harm...

However given point 2, if i am aggrovated, i will bite...
