Spoony wrote on Wed, 16 January 2008 01:17 read the 'quote' in my signature tbh

Generals isn't really C&C gameplay in my oppinion. It's more like Age of empires or one of those games... Plus FPS C&C gameplay is a lot different than normal FPS gameplay. C&C RTS gameplay isn't all that different than regular RTS gameplay. The main difference I'd probably note is they way the buildings are constructed.
