ok, so i have redone my mall map, and it has been fine everytime, then i add a few spawners it still works, then i add some moving water which i never tested wether it works or not but it was in LE

then i add a few more spawners and some planes, and now my map doesnt work, it closes down my renegade game.

can some1 please help i have worked long and hard on this map which all of a sudden near completion wont load please help!
