Crimson, Blazer, and the other admins are doing a decent job at moderating. The very same public wanting moderation are the ones who are spamming pleco pictures and doing retarded things like that.

Thats rich coming from you. You're one of the trolls that post useless threads.

I for one have never posted a picture of a pleco and I want the moderation tightened. Yeah the but the point i'm trying to make it is I am not a hypocrite who makes useless posts and spams and then complains about the fact that there is not enough moderation.
