Crimson, Blazer, and the other admins are doing a decent job at moderating. The very same public wanting moderation are the ones who are spamming pleco pictures and doing retarded things like that.

Thats rich coming from you. You're one of the trolls that post useless threads.

I for one have never posted a picture of a pleco and I want the moderation tightened. Yeah the but the point i'm trying to make it is I am not a hypocrite who makes useless posts and spams and then complains about the fact that there is not enough moderation. WTH? Are you off your nut?

The fact that you don't know where New England is points out that you're an idiot.(This is all pointed at Rocko)

That was to the end of page 3, and I probably missed out on a fuck load. Maybe it's just me, but I'm not really interested in your life story, so put it in the spam forums instead of heated discussions. FFS.

I'm too scared to go on any further.

Did you ignore the fact that I said im not a hypocrite who does those things, AND THEN, complains about it? I didn't say that there weren't any topics that I've made that didn't have some questionable placement or could be considered unimportant, or as you retards call spam.

Some of those topics weren't total spam though as I was trying to make some kind of joke in the beginning in hopes of starting a discussion, of which i wanted to talk about.

A lot of you over analyze and believe I'm here just to troll, but no, there's a lot more to what I'm saying than its literal interpretation.
