Crimson wrote on Tue, 29 January 2008 12:00I may be biased but I think at n00bstories we run a pretty fantastic team and a tight ship without the bullshit you get on other more immature servers.

Allright! I am moving to n00bstories!

Well, in an hour or so. I am starting installation of Renegade and am going to do the usual stuff: RG, CP Updates, and download fanmaps.
