xSeth2k2xAircraftkillerRemember, it's a mod or a modification, not a MOD.

doesnt really matter

Actually, it would matter. "Mod" is not an acronym, it is short for "Modification". Saying "MOD" either means you're trying to give that word emphasis("IT'S MY MOD!!!"), or you think it's an acronym (or you think it deserves capitalization like an acronym) like: "NASA", "BMW" or "SOCOM".
