Troop is preeeeeeetty cool

This reminds me of Troop quite a bit.

Yeah, Because image macros that insult people who are physically disabled is cool.

I'm not exactly sure how good your ability to see is, Ryu, but not only was this taken made from a picture that someone MADE in a blog, if you haven't noticed: The guy has on his pants backward, fake smoke is coming out the back, and hes popping a wheely. And this is coming from a fat guy bearing his teeth and giving the "satan fingers". Yeah, you're right, that is SO much like most physically disabled people. I know I'm so offended by it. (Word of advice: Please refrain from engaging in acts of idiocy in the future).

Back on topic, Troop is still a douche, Troop still reminds me of that.

Yeah, the image is still taking the piss out of physically disabled people, and thus, you're using said image.

way to fall under your own logic.

have a nice day.

Not exactly sure how that causes me to fall under my own logic, consider all you did was just repeat your previous post and add "have a nice day". But whatever floats your little pink boat buddy

Please attempt to E-thug less.

I'm too arroga - Oh shit is that a butterfly?!
