Subject: NEED HELP MAKING A WEAPON REPLACEMENT! Posted by bocoboco on Fri, 08 Feb 2008 01:07:45 GMT

Renhelp.net was no help for me (because I'm retarded). I downloaded a .gmax weapon model off turbosquid and I want to make it (an I85) a tiberium auto rifle replacement. This is my first time modeling/skinning (the gun has a skin on it). Can anyone help me with this? Screenshot and model itself are in the post.
