Hey troop, if you're too scared to fight him in your 100% unmodified original Renegade, why don't you take him on in Rp2?

Oh, wait, Rp2 is unfair z0mg :[[[

People probably dodge you so much because they know if they beat you, you will tirelessly scour for dirt on them until you find out that they changed their Tiberium color or something in a Skin, and then cry out OMFG CHEATS. Seriously.

I found this thread because such a stench of EPIC DOUCHEBAGGERY was emanating from it.

Edit: Yeah, somehow I highly doubt SS has played it at all. Oh well. Not like we're missing anything great from him.
