lol, they are obviously too shitty/stupid to realize the common sense in anything, hence don't bother with em. Let the, be like sadukar, "I CAN OWN YOU IN APB!@!!!!1113345!",lmfao. Where's the common sense in priding yourself on being able to pwnz0r someone at a game?

We're in it for the fun, not for the bragging rights and the faggotry that comes bundled with that.

I can't say the same for APB, but Rp2 is about fun. Not building e-penis because you can snipe someone with a Ramjet. Although that does occasionally happen.

Exactly why I stopped playing RPG's I just want to find a game, play it for fun, and leave.
