Surth wrote on Sat, 16 February 2008 13:25Quote:So, hey, guess what, I just found a pretty big use for the SBH, among quite a few others they have (C4ing snipers on hills, running to the side of a tank then C4ing it then laser rifling it, etc). I highly doubt that's just "1%". Im not going to mention that there are 1359235734958 Ways that are better to deal with snipers (like say, tanks), but nobody buys snipers anyways except on flying maps.

Yeah, I agree. Also any sniper who is stupid enough to get a C4 on him by a SBH should stay in base mining and repairing.
