The poll should have looked like this:

Rock (including all sub-genres)

Metal (including all sub-genres)

Jazz

Country

Blues

Bluegrass

Big Band

Swing

Classical

Instrumental

Soul

Motown

Rock 'n' Roll

That's all I can think of for now. Most genres that you would expect to be up there that aren't... they're not there for a reason (I don't consider them to be real "music").
