hey course i know how long it takes lol ive just doena journey for my art course at that took me about 9 months solid 3d modeling and animating and months of rendering trust me i know how long it will take but we not doing bad:)

u dont ound that keen on the idea u dont have to play it when its done if you dont want to:) im not forcing you i just want a new revamped game to play on
so please usefull coments as we have already seen that good luck and be ready by 2007:)
