You can remove the add's at your website.

All you have to do is call, or text/sms once (1,75$)
Go into. tk options it's somehwhere.

And the add's will be gone

Remember though, that you need at least 25 visits or so (In a time spread of a couple of months.
Else you will have to reactivate under a different name, so keep your site updated/ interesting.
