okkkkkkkkkkkkkkkkk ekt lmfaooo.

after talking him into finally playing me, I told him to join a cw server, didnt pick the map, and I picked nod manual, assuming he would join the same side to pick a side. He joined as nod (prob only because he didnt notice manual teaming), and before I could even type out "side?" he switched to gdi so I assumed he wanted to play as them, so i played...tho obviously ekt knows this with their extensive cw expereince L!OL
