Love that picture.

Dreg, don't take the words of little recon too hard.

Ever since we aided him in destroying his reputation (which seemed to be his ultimate quest by the looks of his internet career), people take him for what he is: a nobody.

And now that it is official, being a nobody is obviously something that he has trouble getting used to.

So he seeks ways to deal with it.

Don't mind him. When he posts these kind of threads, it is actually him showing us all how small he really is.
