You totally went from "500s ON FIELD ARE GRAET!" to "WELL OK THAY ARNT BUT THEY AR ON MAPS YOU'VE NEVER PLAYD!"

Quote:All you basically have said is that "well, I 'CAN' see a sniper.", not that you WIIL. TBH, I've played plenty of volcano games where I was a humble little soldier wandering my base, and a 500 sniper was somewhere half way across the map or on the outskirts of the tiberium field picking me off, hiding in the shadows, and I had no idea where he was coming from. On Volcano? HAHAHAHA. Ok.
