Then I said, if ARTIES ARE OUTSIDE OF THE BASE, you can GO THROUGH THE WATERFALL.

Learn to read plx. .

@sniper: major tl;dr. Nothing I haven't heard you say and be wrong with already, I'm sure.

If you're too ignorant to answer, anyways, explain how your plan works if someone in an artillery watches the waterfall? After not being able to go out through the front of the base, and not being able to go down the waterfall. You don't have very many options left, do you, detective?
