What is GDI Survival then?[/b][/color]

GDI Survival was the original map in production but my laser mouse went crazy when I was finishing it one day and destroyed all my progress as well as my LevelEdit amazingly. So I had to start over and decided that I'd jump to Nod Survival since it was now closer to done than GDI Survival. So if GDI Survival has been cancelled (or whatever you call it), why can everybody download it from the St0rm FTP? Look at the pictures

NOD Survival has been removed from the main FTP dir. When I downloaded them at the end of January, both were available.
