I was considering answering it but you haven't done much in this thread to warrant any intelligent responses

But okay. What I'm trying to say is you don't necessarily have the right to call me a nerd (or anything like that) because I've played Renegade for 345 hours or so when you're coming and posting about it too (and, once again, how you got butthurt playing it.)

Best answer I can summon right now. Dinner time. (At dinner, I carry my laptop downstairs so I can continue playing Rp2 as I eat. That way I'm on Rp2, 24/7. Neat, huh?)
