TheGunrunheh. any of u watch anime? a lot of tech tv fans watch anime. including me.

Is that that weird japanese animation, They draw really strange looking people, and all the people sound the same....

TheGunruni love em screen savers. watch em every day. hey did u manage to see the reveiw on cnc renegade about a year ago on extended play? "i give it a nod" it was 4 out of 5 in the ratings.

they also gave C&C Generals a 4 out of 5, and had some interveiws with some people who worked on the game, I think it was Mark Skaggs and Harvard Bonin.
