If anyone else has a PS3 let me know what your user ID is in the thread so we can get a match going sometime, and we can also hopefully get into the PS Home closed beta soon. When I get some extra money flowing through I'll probably buy Burnout Paradise for some online matchups.

My ID is Aircraftkiller

Also post your game list here so we can figure out who can play what with whom.

Assassin's Creed

f10w

Super Stardust HD

Go Sports Skydiving

High Velocity Bowling (online patch is coming shortly)

Super Rub a Dub
