There's an admin of these forums who's British, i guess he could be trusted enough to sort something out for us brits/EU.

I'm actually organizing the UK dates and it most probably will not be a lan party this year, but an actual long weekend away on a gathering/meeting getting to know you all etc..... My cousin owns a hotel in Blackpool (North West England -for non ukers!) and that is the planned venue, I'd prefer it if those wishing to attend were over 18 but I have no control over that I guess.

If you are interested/wanna know more/wanna come and join the fun. Reply in this post or pm me here, on the n00bstories forums or find me on IRC or msn
