Got fed up of the retardism in the clan, about 80% of the people in EKT can't type any sentence without IM. AND, ANYONE in their server who headshots the mods ONCE, boom "ZOMG LIEKZ WTF? U CHEET!!!!111!!!! I LIEK WANT TEST!!!" Then they take like 30 minutes testing a person who is...obviously not cheating. Once I went to EKT server in another nick and I got accused of cheating on the first headshot I madee...lol.

I wonder what EKT has to say.
