Bump, hey Da_Shiz, Darks not a faggot, he's just over reacting to the fact that there is a lot of n00bs screwing C&R games and it is getting to him like any other normal person, trying to play this mod is annoying when you obey the rules and a lot of SHIT HEADs come in and screw the game up, hell we all get mad when a n00b comes in a messes things up during a game of any kind.
