YSLMuffins, Nightma, Doitle, and myself are the only people left that were voted in by the
community. Everyone else had it given to them.

I miss Doitle, whatever happened to him?

Aw shucks! I never thought I would be missed anywhere!

I just had some time and was bored trying to think of what to do and realized I hadn't checked in
here in a while.

As far as why I've not been around I've just been really busy at school and with the girlfriend.
What have I missed around here? Anything interesting happen?
