Kytten9 wrote on Tue, 18 March 2008 17:04 When I was 15 my best friends father killed himself and she found him, I saw first hand how her family was ripped apart by this devastating and clearly selfish act, people commit suicide to escape the pain of their angst but do not once think of the heartache, angst and never ending sucking void they leave in the lives of their loved ones who are left with one question forever on their minds that will never be answered and that is: "WHY?"

You almost make that poor man out to be a criminal for committing suicide!

How the heck is suicide a selfish act? (Not talking about terrorist suicides)

The "heartache, angst and never ending sucking void" of the loved ones is NOTHING compared to the emotional trauma potential suicide victims feel ahead of their suicides.
