into the ground. Cut it out.
my friend told me ur really hot especially for internet girls

is this true
my friend told me ur really a troll especially for a faggot

is this true

Oh wait. That's just my common sense speaking to me, not my friend. My bad.

Also, no offense to the model maker, but you should make that thing a bit better. It's usually not a
wise idea to just plop objects on top of eachother and call it a model.
well yeah it's not done but i really dunno what to add...
i think this topic should be deleted...
