Hey Thinkharder why dont you just use your S/N and actually "Think Harder" because you are one naive son of a bitch. Yes your mom is a bitch. Because she raised such a jackoff like you. Your dads a fucker. Because he raised such a fucker like you. Your Grandmother is a whore because she had sex with your grandfather.....who produced your Father who fucked your mother and out popped your disrespectful ass. You know, I love little bitches like you. Dont respect anyone. Think they know about the world. Well I bet if you were a "World" leader im sure we would have peace....I mean we would all be hippies wouldn't we? All smoking the chiba and giving it to other men anally right? Yeah right. Face it. You should burn in hell with all those other hippies who say the military haven't provided or done anything with them. See that shirt your wearing? Guess why your wearing it? See that bike your riding? Guess why? See that little dick inside your Mickey Mouse Diaper your wearing.....guess why you got it? Because our men and women fought for our freedom.....there for allowing your whore of a grandmother to be born and to ride your grandfather. Am I being disrespectful to your family? Yes. Because your being disrespectful to mine. Yet, do I seem to care that im being disrespectfull to your family? No. So before you say the military hasn't done anything for your then maybe you should look around you, because everything you have is because of a military action at some point in your countries history. And as far as us crying when one of our soldiers die.....well thats because we know he/she had the testicular fortitude to go out and fight and die for this country to provide fucking assholes like you with freedoms that your obv. taking for granted. Son, not only are you a failure in life, your a failure for your country. Even if you don't want to serve your country thats A-Ok! in my book--but not even supporting our men and women.....well thats crossing the line you stupid peice of shit.

And as far as the A-10 situation goes. Hell yeah I over-reacted and Im sorry about it. I over reacted maily because I have friends who are still over fighting for OUR FREEDOM hence the word FREEDOM you stupid mother fucker.

So for all you hippies out their....especially Think Harder.....Fuck Off.
