EvilWhiteDragon wrote on Wed, 16 April 2008 17:12 They themselves also said that they wouldn't call Tberium a C&C game, so they are probably not being total hypocrites. I just hope that they understand that games like generals and IMHO C&C3 should not have been called C&C games. /me is still waiting for a proper C&C game, either RTS or FPS, but don't believe Tberium will be one.

by what argument is C&C3 not a C&C game?
