it's more my concern than the quality of EA games are your concern... perhaps if this forum had a compulsory subscription fee which every forum user had to pay, but I just hacked my way in because LOL THIS FORUM SUCKS, then perhaps you'd have a point.

Oblivion165 wrote on Sat, 19 April 2008 17:40@TD I would be willing to take that on. If there is one thing I'm willing to argue about, it's EA Games.

you've already lost... see the "scrub on welfare" analogy.

EA  
What do they want? Consumers to buy their games.  
What do they do to achieve it? Make games they think will sell.

Oblivion165  
What do you want? EA games.
