I think this is a good exemple of a heated discussion, hence moved to the right subforum.

Small warning here for everyone involved in this discussion: be careful with references to Warez.
Reminder of the rule:

Quote:Warez: This is a warez-free forum, and supports legitimate ownership of all games, software, music, movies, etc. Do not come here looking for CD/DVD images, serials, or any other form of warez.

Also, try to play the ball, not the man .
