And is there a way to have a third PT-Class (Mutants) available for Nod and GDI?

And I read here in forum, that it is now possible to have 3 teams playing....should be possible to have GDI, Nod and Mutants playing?

The PT for the Mutants is just a empty shell, there is no code behide it, so it doesn't work.

To get three teams playing, you would need someone with elite coding skills.
