Poskov wrote on Wed, 07 May 2008 21:17the Renegade engine isn't that great,
frankly, it's a downer.

I bet any of you,
that you could make a total conversion, using Half Life, turning it into renegade, but you could
NEVER make Half Life into Renegade.

So you're saying we can make Half-Life into Renegade but we CAN'T make Half-Life into
Renegade?

Great philosophy there buddy.
