Cabal8616 wrote on Fri, 16 May 2008 23:19 I've read several of your threads, and parts of this (although it got boring at some points). I find it amusing when someone has to use the good old "LOL, U DIDN'T REED" excuse when I say something that doesn't agree with them. And yet you've just very helpfully proved me right. Thanks.

Cabal8616 wrote on Fri, 16 May 2008 23:19 Which once again, proves you're an arrogant cock who can never lose a renebate.

No, pointing out you didn't read the thread - when you admit that indeed you didn't - doesn't prove anything about me, sorry. I know you're angry at being wrong, but it's just a renebate, you don't have to be as desperate not to lose it as TD continually proves himself to be.

Cabal8616 wrote on Fri, 16 May 2008 23:19 inb4 "LOL, STRAWMAN ARGUMENT" or whatever the hell else you force out of your ass like a 38 pound ball of shit.

Do you even know what a straw-man argument is? If you do, which doesn't seem very likely, would you care to find an example of me using it in a situation where it doesn't apply?

finally, I'll just repeat something I said before

Spooky wrotel don't think you've read this thread very carefully, because if you had you'd have noticed that TD could not refute a single thing I've said, whereas almost everything TD said has been conclusively debunked as a pack of lies, forcing him to continually change the subject out of desperation not to admit he lost a renebate.
