HeavyX101 wrote on Sun, 18 May 2008 10:32 Can you guys please stop he fighting and stop calling me horqwer, i'm now HeavyX101. My new nick is better then that old junk name.

And i made the physics work a little bit. They wont turn my when you push them with a vehicle they will move. Any one wants the map? Just making sure so i wont upload it for nothing.

I'd rather you didn't release something that you did not make. If you go ahead and release it, I can assure you that you will regret doing so.
