Rocko wrote on Fri, 23 May 2008 06:15how exactly do they build a giant tube under the ocean?  
isnt that a waste of resources in a way if it's just for to see some bucktoothed tea drinker in  
england or to see some greasy greek guy from new york with a fat gut in real time

you're one stupid mother fucker, it's a work of modern art, there is no purpose of it, it's there to  
make you say "wow that's a neat contraption, innovative"
