Why are you guys trying to hijack my poll?

luv2pb and Crimson, how can you not like the rye chips, pretzels and breadsticks is not worth the 3 dollars a bag or whatever they cost these days, I used to hate the breadsticks, but I started growing tolerant to them after I realized how much money I was wasting only eating 2/3s of the bag, and pringles are good, but they're in their own category...start a different poll for pringles.
