TD wrote on Mon, 02 June 2008 15:15Great ending, I can't wait for season 5

So Jeremy Bentham is Locke, wtf? What bad things happened on the islands because of Jack?  
And how the fuck does Jin (or even Michael) survive that explosion..

Micheal can't fucking die man! Don't you remember? the island needs him. ;o

As for Jin I dunno.. Maybe the island wants him too.. or he got a life jacket in time! ;o !!
