Its true (i think)... a topic like this was on a few months ago, jsut before i left the forums.

Try to think of some things that might happan to YOU if you play renegade to long...

Here are some to get you started.

You play renegade to much when:

-You walk on grass with a wet suit becouse you fair tiberium poisening.

-Cut you finger and ask a man with a yellow hard hat to repair you.

-You call every bald guy Kane.

-You keep your hand up all day becouse its the hand of Nod (or NOD, whatever)

You guys got some more??
