koopa2 wrote on Thu, 12 June 2008 20:04I need help because i got banned because my friend hacked on my computer with his acount. Then, i tried to make other acount but i alway get kiked (they say that im banned for dh???)from marathon and other servers. I reinstalled my first decade game and it dont even work anymore, my account is chauveyas nd my friend who hacked is naghal. He alway hack so you can ban him. I only want to play on marathon so please help. My other account was Yanni, i played like 15 games on it in marathon but i deleted it. It was my best account. PLEASE HELP!

no one's going to take that "friend/brother/dog did it" excuse seriously.
