SeaManRenegade takes in 2020. Read the manual.

"Background

Global Defense Initiative

Recipient: Captain Nick Parker, Division 618, Unit BB

Received: 12 March 2020"

Um, ok. Never noticed that...

That would mean that Renegade takes place around the events in Tiberian Sun, not Tiberian Dawn. Now how could Renegade be parallel to Tiberian Dawn (Renegade is supposed to be an FPS set in Tiberian Dawn) if it takes place around the time of Tiberian Sun, the sequel?
