Bike: '84 Honda CX650 Turbo. My Dad had one years ago but sold it for a car. Only 2500 ever made. Really fast bike for its age. The BEST sounding V2 ever!

CX650T

Car: '90 Audi Quattro 20v. Ever since I was little I have always wanted to own one of these. IT has an amazing engine for its age and keep up with some of the modern 2.5Litre sports cars now'n'days in the wet. Too bad the inside looks really tatty and way way outdated.

'90 Quattro

Edit: I can't spell lol.
