It apparently doesn't work on new videos automatically, unless the account holder toggles the account setting like cmatt42 suggested.

By the way, if you like platformers and crossover games, I'd suggest you try out the recent beta release of this game

This is another level designed by Hello, w...
This level takes place in a downtown area of a city. It is a pure auto-scrolling level that takes place on the rooftops and atop the skyscrapers themselves. It debuts the first ever chase sequence in MKFusion.

Level BGM: "Lethal Highway" (Shadow the Hedgehog)
