Seriously, go for it! You'll love it.

Only thing about today's ride was the wind being a right bastard!

Had a couple of moments, due to lack of experience in those conditions.

Also, promised you a photo for the name, but I forgot to take one with my helmet off.

So here are a couple.

First is a few years old but funny none the less (real too!)

The second is about 2 years old but is one of the few I have.

Finally, the third I took about 2 minutes ago, .

... I wonder if anyone else is brave enough to post a picture of themselves? .. hmm, could make a good thread; probably is one already.. lol
