N1warhead wrote on Fri, 27 June 2008 14:52 Use W3d Viewer. It comes with the Renegade Tools.

Hope that helps.

N1warhead.

Thank you for such a fast reply! I got it now and have installed it but my models can't be seen!!!

I extracted the W3d model and I open it but can't see the model on the stage to the right side.

Am I using wrong file?
