Caveman wrote on Sat, 28 June 2008 06:37Clown, in your poll you haven't got one widescreen resolution

Yea sorry, I never had widescreen so I didn't know of resolutions off the top of my head. I did a search for the common sizes and that's what I found

k I updated the poll, don't think it lets you change your vote though so I deleted option "Other" and readded it... Not sure if that will actually work though. :/
