StealthEye wrote on Sun, 29 June 2008 13:35It's definitely possible and on our todo list. It's not 100% sure that it will go in, but it is likely. Servers will most probably have to write their own code to be able to use the tags though.

Yeah that is fine by me, if you guys can build the base code or whatever you need, the server owners can do the rest.
